Médecins Sans Frontières (MSF) / Doctors without Borders

For medical aid operations throughout the entire world, MSF is on the lookout for volunteers (medical staff as well as pharmacists, logisticians and financial and HR specialists) who are willing to provide some of their time and skills to be available for those in need. The basic principle is voluntary commitment.

Representatives of MSF will be in **Maribor and Ljubljana** for an Info Session on **November 30th and December 1st**. Join us for a presentation, film, and Q&As to learn more about how you can become part of MSF's field work. An MSF field surgeon and a Human Resources Officer will be on hand to discuss requirements and applications.
